FIRE COURT WILL
MEET TOMORROW

To Hear Claims of Insurance
Companies and Ha-
waiians.

After a recess of nearly 90 days, the Court of Fire Claims will resume its sittings tomorrow morning. Chairman Macfarlane returned from the coast on the Alameda, and though an adjournment had been taken for 30 days, in addition to the first 60, the commission will resume its sessions Thursday morning.

There is still much work to come before the fire court. The claims of the insurance companies which paid the policies on property destroyed by the big fire are still to be presented. These claims aggregate several hundred thousand dollars, and the commissioners still have lots of hard work before them in open court. There are also five or six Hawaiian claims to be taken up, in which are included the investigation into the claim for calabashes and other valuable property, alleged to have been destroyed in the fire, but which was in fact buried underground and afterwards recovered.

Altogether, 3200 claims have been adjudicated and entered up by Clerk Riggs. There are about 3500 claims not passed upon by the commission, and in which no judgments have been entered. About the time the work has been completed, the funds needed to pay off the first installment of \$500,000 may be available. There is still a question in the minds of many as to whether or not the appropriation of a million and a half dollars will be sufficient to meet the judgments. In any event there is likely to be some appeals from the fire court decisions, and it may result in considerable litigation in the local courts.

ORDER OF EVENTS
FOR FIELD DAY

The committee having in charge the arrangements for the field day for the Boys' Brigade met last evening and arranged the order of the events and the plans for the entries. As the contest will take place on March 29th, it was decided that entries must be in the hands of the secretary of the committee, Fred Young, at the Y. M. C. A., on March 25th, at 7 p. m. This means that there must be specific entry of each man of each team for each event.

The track events will be run off in the following order: One hundred yard dash, half-mile run, high hurdles, one mile run, 440 yard run, low hurdles, 220 yard dash, relay race. The field events will be in the following order: Shot put, pole vault, broad jump, high jump, hammer throw.

The events on the track and the field will be given simultaneously. The men in training for the games are getting into good condition and the outlook is for a good day of sports, with so many entries in some races that they will have to be run off in trial heats.
